

## Vaccination Tracking

KEEP COMPLIANCE BY TRACKING EMPLOYEE VACCINATION AND TESTING STATUS

### Verify Employees Status Quickly and Easily

Employees can upload their vaccination cards and weekly test results to the isolated platform. Under the "Employee Documents" section, managers can quickly track and access employee records when needed. Access can be limited to only those who need it to maintain employee confidentiality.

Allow us to help you [maintain compliance](#) and [reduce risk](#) as federal and state mandates are constantly evolving using isolated People Cloud.
